

## Digital Evidence - Development & Challenges

Eden is pleased to announce that Andrew Simpson (Business Development Manager - Evidence) has been invited by The Society for the Policing of Cyberspace (POLCYB) to chair a Panel Presentation Theme of 'Digital Evidence - Development and Challenges' at the 7th Annual Policing Cyberspace International Summit 2007 to be held 5 - 9th November, in Bangkok, Thailand. Bessie Pang Executive Director of POLCYB said "It is an honour to have Andrew as chair for such an important theme at the POLCYB summit". Key speakers include The Commissioner General of the Royal Thai Police, Mr Pol Gen Seripisuth, who will be providing the Welcoming Remarks at the summit opening.

POLCYB was established in 1999 in British Columbia, Canada. POLCYB is not-for-profit society whose goal is to enhance international partnerships among public and private professionals to prevent and combat crime in cyberspace.

Eden is proud to be an active member of POLCYB as it demonstrates Eden's commitment to the Law Enforcement, Compliance and Litigations markets.
